To Anthony Porter  
Manager  
Academy Sports and Outdoors  
Address  
Longview, Texas, 75693

Dear Mr. Porter

As I was looking through my itinerary for next years school year, I had realized that this upcoming school year might have committed to some extra curricular activities that might require a little more funding from my father. However, because of a shortage of money in the house I myself need to be able to help pay for some of the costs that get a little pricey like trip costs, or fees for entering in contests. Recently, I had been in the Academy under your management I had seen your help wanted ad while walking in to buy some receiving gloves and my dad was looking for running shoes. In addition, around September of this year I'll start driving, and will definitely need money for gas. This job also caught my eye because of the possible opportunities to put my communications skill to the test, and learn the ropes of customer service.

I do have certain interests in sports equipment, as I had worked as a trainer and could help in assisting people how to work or help certain muscle groups. In addition, I also have an interest in working with other people looking to fix issues like how their feet may be pigeon toed or flat footed. I have had similar experience with some of these problems and I know my way around shoes that can help in fixing the customers problems, or just help in general style. Also, I will be able to properly show customers what shoe or cleat even bat or shoulder pad that will protect them and provide the best quality performance.

I would very much like to speak to you in person about what I can bring to the store. I have had some experiences that i think could have lead up to a possible job here. my cell phone is 903-270-7726 and the best time to reach me would be after 5 o'clock in

the afternoons on weekdays and after 12 on weekends. If it is more convenient for you we can set up a day to talk in person.

Thank you for your consideration, Mr. Porter

Sincerely, Brett Morgan
